

Tired of waiting months for your furniture?

*As your busiest season ramps up,
remember Brodart's Build & Hold Program.*

This popular program offers the following benefits:

- **Order now and receive later!** Your furniture will be manufactured during the winter/spring season and stored at our facility.
- **Rest easy!** Your shipment will be delivered on time, per your instructions, with no delays during the busy season.
- **Pay Nothing!** There are no storage fees—the Build & Hold Program is free.

Please submit any orders requiring delivery during the 2019 season as soon as possible — and get a worry-free guarantee for on-time delivery. Be sure to include all information necessary for order entry such as colors, finish, species, requested delivery date, etc. Orders can be shipped any time throughout the busy season, with free storage for as long as you need.

As always, contact us with any questions. Thank you for choosing Brodart!
